#### **Services Provided**

Castle Oaks Metropolitan District No. 3 (The District), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by court order and decree of the District Court for the County of Douglas on June 29, 2006, and is governed pursuant to the provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District is located within the Town of Castle Rock, Colorado.

The District was established to provide financing for the operations and maintenance and design, acquisition, installation, construction, and completion of public improvements and services, including water, sanitation/storm sewer, streets, park and recreation, transportation, mosquito control, safety protection, television relay and translation, and security.

On November 3, 2015, District voters authorized the District to issue \$504,000,000 of general obligation bonds or other financial obligations for the infrastructure development of the services noted in the preceding paragraph, however, the District's amended Service Plan limits its general obligation debt to \$36,000,000. Additionally, the District can levy up to \$10,000,000 annually to pay for administration and operating costs.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

#### Revenues

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

### **Property Taxes - (continued)**

For property tax collection year 2025, SB22-238, SB 22-238, SB 23B-001, SB 24-233, and HB24B-1001 set the assessment rates and actual value reductions as follows:

Category	Rate	Category	Rate	Actual Value Reduction	Amount
Single-Family				Single-Family	\$55,000
Residential	6.70%	Agricultural Land	26.40%	Residential	
Multi-Family		Renewable		Multi-Family	\$55,000

Commercial	27.90%	Vacant Land	27.90%	Commercial	\$30,000

Industrial	27.90%	Property	27.90%		
Lodging	27.90%	State Assessed	27.90%	Lodging	\$30,000
		Oil & Gas			
		Production	87.50%		

### **Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 9.0% of the property taxes collected.

#### **Facilities Fees**

The District imposes a Facilities Fee of \$4,000 on each single-family, town homes and patio homes, and a Facilities Fee of \$1,500 on apartments or other multifamily residential units. The fees are payable by homebuilders when the building permits are issued. The first \$500,000 of Facilities Fee revenue collected after June 1, 2020 is pledged for debt service payments and has been collected as of December 31, 2021. The remaining Facilities Fee revenue can be used to pay any other District indebtedness.

### **Interest Income**

Interest earned on the District's available funds has been estimated based on historical earnings.

#### **Expenditures**

### **Administrative Expenditures**

Administrative expenditures include the services necessary to maintain the administrative viability such as legal, accounting, insurance, and other administrative expenses of the District.

### **County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

#### **Debt Service**

Principal and interest payments are provided based on the debt amortization schedules from the Series 2020 General Obligation Limited Tax Refunding Bonds (discussed under Debt and Leases).

#### **Debt and Leases**

The District issued the 2020 Bonds on September 10, 2020, in the par amount of \$34,250,000. Proceeds from the sale of the 2020 Bonds were used to: (i) refund the District's outstanding General Obligation Limited Tax Refunding Bonds, Series 2017 (the "2017 Bonds"); (ii) finance public improvements related to a residential development in the Town of Castle Rock; (iii) purchase a Municipal Bond Debt Service Reserve Fund Insurance Policy issued by Assured Guaranty Municipal Corp. (the "Reserve Policy"); and (iv) pay costs of issuance of the 2020 Bonds.

The 2020 Bonds bear interest at 4.00% per annum (2.357194% yield) and are payable semiannually on June 1 and December 1, beginning on December 1, 2020. The 2020 Bonds issued as serial bonds mature on December 1 of the years 2024 through 2030; thereafter, the 2020 Bonds issued as term bonds have annual mandatory sinking fund principal payments due on December 1, commencing December 1, 2031. The 2020 Bonds mature on December 1, 2050.

To the extent principal of any Bond is not paid when due, such principal shall remain outstanding until the earlier of its payment or the Termination Date of December 2, 2060, and shall continue to bear interest at the rate then borne by the 2020 Bonds. To the extent interest on any Bond is not paid when due, such interest shall compound on each interest payment date, at the rate then borne by the Bond.

The 2020 Bonds are subject to redemption prior to maturity, at the option of the District, on December 1, 2030, and on any date thereafter, upon payment of par and accrued interest, without redemption premium.

The 2020 Bonds are secured by Pledged Revenue which means: (i) the Required Mill Levy; (ii) the Refunded Bonds Mill Levy Revenue; (iii) the Capital Fees; (iv) the portion of the Specific Ownership Tax which is collected as a result of imposition of the Required Mill Levy; and (v) any other legally available moneys which the District determines, in its absolute discretion, to transfer to the Trustee for application as Pledged Revenue.

#### **Debt and Leases - (continued)**

"Refunded Bonds Mill Levy Revenue" means the debt service mill levy revenues derived from the debt service mill levy imposed in 2019 (for collection in 2020) for the payment of the 2017 Bonds.

"Capital Fees" means all fees, rates, tolls, penalties, and charges of a capital nature (excluding periodic, recurring service charges) imposed by the District, including the Facility Fees. Facility Fees means the first \$500,000 of fees imposed and collected by the District since June 1, 2020, pursuant to the Facility Fee Resolution adopted on March 5, 2015, including any amendments or supplements.

The District has covenanted to impose a Required Mill Levy upon all taxable property of the District each year in an amount, when combined with moneys in the Bond Fund, the Mill Levy Stabilization Fund, and any other legally available moneys held by the District, sufficient to pay the 2020 Bonds when due, and if necessary, an amount sufficient to replenish the Reserve Fund to the amount of the Required Reserve, but (i) not in excess of 55 mills (subject to adjustment for changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut or abatement after January 9, 2001) and (ii) for so long as the Mill Levy Stabilization Fund is less than the Minimum Mill Levy Stabilization Amount, not less than 35.603 mills (subject to adjustment), or such lesser mill levy which will pay the 2020 Bonds when due, will replenish the Reserve Fund to the amount of the Required Reserve, and will fund the Mill Levy Stabilization Fund up to the Minimum Mill Levy Stabilization Fund Amount. The Required Mill Levy is net of the collection costs of the County and any tax refunds or abatements authorized by or on behalf of the County.

The 2020 Bonds are additionally secured by the Reserve Fund which was funded with the Reserve Policy in the amount of \$2,369,800 (the amount of the Required Reserve) and by amounts in the Mill Levy Stabilization Fund.

The Reserve Policy guarantees the scheduled payment of principal of and interest on the 2020 Bonds when due as set forth in the policy.

Subject to the receipt of sufficient Pledged Revenue, the Mill Levy Stabilization Fund is to be maintained until the Mill Levy Stabilization Conversion Date, after which the Mill Levy Stabilization Fund shall be terminated and any moneys therein remitted to the District for application to any lawful purpose of the District. The Mill Levy Stabilization Fund was partially funded at closing from funds on hand related to the 2017 Bonds in the amount of \$232,000 and will be funded in the future solely by deposits of Pledged Revenue up to the Minimum Mill Levy Stabilization Fund Amount of \$1,000,000.

Moneys in the Mill Levy Stabilization Fund are to be used solely for the purpose of paying the principal of, premium, if any, or interest on the 2020 Bonds. The District may use amounts in the Mill Levy Stabilization Fund to reduce the Required Mill Levy otherwise necessary to pay the 2020 Bonds in accordance with the definition of the Required Mill Levy above.

The Mill Levy Stabilization Fund Conversion Date is the first date on which both of the following conditions are met: (i) the Debt to Assessed Ratio is 50% or less; and (ii) no amounts of principal or interest on the 2020 Bonds are due but unpaid.

The District has no operating or capital leases.
